ABOUT ME

Motivated Software Engineer Ready to Contribute and Learn in the Tech Industry.

CAREER OBJECTIVE

As a fresh graduate software engineer, I am passionate about coding and problem-solving. Proficient in Java, Python, HTML, CSS, and JavaScript, I am eager to learn and adapt to new technologies. Skilled in Node.js and Spring Boot, I aim to develop scalable applications and collaborate effectively in cross-functional teams. My attention to detail and dedication to writing clean code drive me to create innovative solutions that contribute to the dynamic world of technology.
